

NEXUS KIDS

Creed

I am a Nexus Kid

I am known and loved by God no matter what

I am forgiven and set free because Jesus died for me

I am thankful for all I have

I believe that all the time, God is good

I believe that God's word is working in my life

I believe that my words have power and bring Glory to God

I choose to show kindness to everyone, even when it's hard

I choose to respect and encourage others

Above all, I choose to love God

I am a Nexus Kid
